IEATA Mission Statement

The International Expressive Arts Therapy Association (IEATA) exists to support the professional use of integrative, multi-modal arts processes for personal and community transformation. Expressive Arts are those activities in which creative expression fosters psychological, physical and spiritual wellness. We strive to establish recognition and growth of the field of expressive arts. We provide a global forum for professional dialogue and promote guiding principles for professional practice among expressive artists, educators, consultants, and therapists.

REACE Ethics Preamble - Excerpt

In order to serve a community with integrity, an established community must create its own "way of community", what the Greeks called "ethos". In the modern world, this is called ethics; a code of values and goals that helps us to define our behavior as a professional community. In order to keep the highest standards of professional practice, each registered member shall enter into agreement to hold and practice our code of ethics.
